City of New York, et al., 05 Civ. 7626 (KMK)(JCF); Drescher v. City of New York, et al., 05 Civ. 7541 (KMK) (JCF)

Dear Judge Francis:

I write to join the City's application of earlier today that the document annexed as Exhibit / A to Mr. Dougherty's letter of today be immediately removed from the public docket, and replaced with the document annexed as Exhibit B to Mr. Dougherty's letter of today (which redacts a sentence that contains the confidential and sensitive information of one of my clients).

I appreciate the City's effort to search its files in this regard, and trust that if the City suspects or discovers that any other publicly filed document(s) contain such confidential information, that it will similarly be brought to my and the Court's attention to be promptly remedied.

I thank the Court for its consideration in this matter.

Respectfully submitted,

Jeffrey Rothman
